Suicide Squad: Behind The Scenes With The Worst Heroes Ever

Synopsis

The officially authorized companion to *Suicide Squad*, the eagerly anticipated film from Warner Bros. Pictures based on the DC Comics antihero team. Along with photos of the cast and crew, this lavish full-color official tie-in book will contain behind-the-scenes stories and images, removable items, and more, making it a must have keepsake for every fan! They are the worst of the worst, a task force of the most dangerous people on the planet—incarcerated Super Villains unleashed to do some good. Assembled by U.S. intelligence officer Amanda Waller and armed with the most powerful arsenal at the government's disposal, the Squad is sent on a seemingly impossible top-secret mission: eradicate a powerful, enigmatic threat. But once they realize they weren't picked to succeed but chosen for their patent culpability, will the members of the Suicide Squad choose to die trying—or decide it's every man for himself? The blockbuster movie has a star-studded cast that includes Will Smith as Floyd Lawton/Deadshot, Jared Leto as The Joker, Margot Robbie as Harley Quinn, Joel Kinnaman as Rick Flag, Viola Davis as Amanda Walker, and many more. Special interactive and removable items in the book include a blueprint of Belle Reve prison, replicas of letters from Deadshot's daughter to her father, a Joker playing card and Joker temporary tattoos, a poster of the Suicide Squad, 6 postcards, a 16-page dossier and much more. *SUICIDE SQUAD* and all related characters and elements © and TM DC Comics and Warner Bros. Suicide Squad takes the DC film universe in a new and different direction by focusing on the bad

guys and their stories. I have mixed feelings about the film, but overall enjoyed the experience. This companion book, "Behind the Scenes with the Worst Heroes Ever", is absolutely wonderful. It's a hybrid of a making-of journal and an art book. There's a ton of information about the movie, the cast of characters, and the filmmaking process; and it's supplemented with a bunch of imagery (including a healthy dose of concept art and set photos). Characters are front and center in the book. The text discusses the importance of each role, casting the part, and the actor's process in finding the character. The most interesting aspect is seeing the various design concepts and costume sketches - it's fascinating to see how the look of the characters (Harley Quinn and the Joker in particular) evolved over time and eventually got to their finished form. The book devotes a fair number of pages to all members of the Squad, including the more secondary characters such as Slipknot and Captain Boomerang. My favorite portion of the book is the section "All Inked Up", which discusses the importance of the tattoos to the characters and shows in high detail the tattoos that appear on the Joker, Harley, and Diablo. The book also provides a closer look at the weapons of the film; whether a gun, a bat, or a boomerang, it's detailed in this book. Much like the Dark Knight Manual, this book is made even more interesting by the inclusion of various artifacts inserted throughout the book (some can be removed). The full list of inserts is below.
