# Hollywood Said No!: Orphaned Film Scripts, Bastard Scenes, And Abandoned Darlings From The Creators Of Mr. Show

## Synopsis

Audie Award Finalist, Audio Drama, 2014 Bob Odenkirk and David Cross, creators of HBO's classic sketch comedy show Mr. Show, present to you this collection of never-before-seen scripts and ideas that Hollywood couldn't find the gumption to green-light. Simply put.... Hollywood Said No! Since Mr. Show closed up shop, Bob and David have kept busy with many projects - acting in fun, successful, movies and TV shows, directing things, and complaining about stuff that didn't turn out well to anyone who would listen, and even alone, in silence, inside their own heads. Hollywood Said No! reveals the full-length, never-before-seen scripts for Bob and David Make a Movie (fleshed out with brand-new storyboards by acclaimed artist Mike Mitchell) and Hooray For America!: a satirical power-house indictment of all that you hold dear. This tome also includes a bonus section of orphaned sketch ideas from the Mr. Show days and beyond, suitable for performance by church groups that aren't all koo-koo about religion. What you are looking at online, and are about to buy, is chock-full of comic twists, turns, and maybe a few hard truths. We said "maybe," but what we mean was "probably not." Now, for the first time, take a peek at the scripts that didn't get the go-ahead and ponder a world we can only dream about...and beyond!

## Customer Reviews

Perfect book for any Bob and David fan. The first script (Bob and David Make a Movie) is worth the 10 dollars alone. It had me belly laughing more than any TV show in recent memory. Fans will find it easy to read the scripts in the unique tone and sensibility that made Mr. Show so great. And newcomers will certainly find many laughs as well. A MUST HAVE for comedy nerds!

I heard about this book when I saw Bob & David promoting it last week on the Daily show, went to my local book store and bought the paperback. What I thought would be a book that would only give me a chuckle ended up making me tear up with laughter. 'Bob & David Make a Movie' is by far my favorite script in this book, written in 2003 it still holds incredibly strong relevance. The same goes for 'Hooray for America' a satire to end all satires. It really is a shame that these movies were not made, but this book is the next best thing. 5/5

I can actually hear the guys saying the lines as I read them from this book. I recommend this to every Bob and David fan as well as comedy fans in general. Well, fans of that special brand of comedy like Mr. Show and Comedy Bang! Bang!

I love Bob and David. I'd give each one of them a kidney if they needed it. I realize that that would leave me without a kidney. I don't think they're working that great anyway. I keep peeing myself...from reading this book.

It's a shame that this script wasn't picked up and made into a movie. I know Run, Ronnie, Run exists as a Mr. Show movie but it was butchered in post-production and barely released. This script reads as a full length Mr. Show episode that I'm hoping Netflix can pick up and make into an original movie. I highly recommend this to anyone who truly appreciates what Bob and David can produce when they are working together.

I laughed out loud and hard. Sometimes I substitute teach and need things to read when the kids get working quietly. I had to quit reading this at school. I was nearly imploding trying to keep from bursting out laughing. It's great.

I think misconception might be that these stories are throwaway because they didn't get picked up. This is far from true. These amazing comedy talents put forth exemplary material for those who have followed them from the groundbreaking Mr. Show and on. The audiobook version has them acting out the entire stories with actors from the mr show era.

the only negative about this book is that I wish it could have gone on forever. I was doubled over in laughter trying to picture some of the scenes that these guys wrote, in their true over-the-top quality.

If you need a fix for more Bob and David, then i definitely recommend picking this up. it will not disappoint!
