She's The Boss (Romantic Comedy)

Synopsis

* Top 100 in the Kindle Humor StoreÂ *She's the Boss is my pick for best novel of 2012! ~ Chick Lit Central, Cindy RoeselÂ I laughed and expanded my mind while reading this book.

~Â BooksessedHilarious and a must read. ~Â Literary ChanteuseÂ Â She's the Boss is fabulous because it has a little bit of everything: insane amounts of humor, romance, good and bad. Refreshingly honest and real. A fantastically fun read that I highly recommend! ~Â The Caffeinated DivaÂ The Devil Wears PradaÂ meets The Office. Twenty-something Karsynn is now a boss, but she's not so much The Devil Wears Prada as she is The Angel Wears Payless. With a brighter career, things should be going better for her, right? Wrong. There's now a new director at the office, Carter Lockwood, and he's brought his reputation for wreaking havoc amongst the ladies. Karsynn prides herself on being the only one impervious to Carter's good looks. In fact, she takes great pleasure in blowing on the embers of Carter's hostility.Karsynn thinks Carter is arrogant and obnoxious. Carter believes Karsynn is an ignorant, sassy spitfire. Once they start working closely together, they discover first impressions can be deceptive. Karsynn may be winning the battle against Carter, but will she lose the war? And more importantly, will she lose her heart? EDITORIAL REVIEWS: She's the Boss is fabulous because it has a little bit of everything: insane amounts of humor, romance, good times and bad. Refreshingly honest and real. A fantastically fun read that I highly recommend! The Caffeinated DivaShe's the Boss is Chick-Lit au current! It's definitely worth checking out and my pick for best novel of 2012!Chick Lit Central, Cindy RoeselLisa Lim is a great new voice in chick lit. She writes about real issues with a lot of heart and humor.Chick Lit ClubI laughed and expanded my mind while reading this book. I can't wait to read whatever Lisa Lim comes up with next.BooksessedHilarious and a must read. The author has established herself in the chick lit hall of fame with this book.Â Literary ChanteuseIf you are looking for a great chick lit, I suggest you get this book.Geeky Girl ReviewsLisa Lim writes about hilarious moments in the everyday life.Peace Love BooksLisa Lim is able to make us laugh but also inject a bit of truth about this industry. Customer Reviews

I absolutely loved this book.... I devoured it in one day. What a great follow up to "confessions of a call center gal". This book had me laughing the whole time and well..... Working in a call center I could relate. I was in hysterics when she drank 5 7hour energies.... That's something I would probably do ha. And I loved her romance with Carter. I love how they grew together and changed each other for the better. :) I would recommend this book to anyone.... Especially any girl who works in a call center or a customer service environment. Well down Lisa Lim! Can't wait for your next book! :)

She's the Boss is a "sort of" sequel to Confessions of a Call Center Gal, and, , although I encourage reading the first, it can easily be read on it's own. I loved the first book and I think this one was even better! Totally irreverant, refreshingly honest and real, Karsynn is absolutely perfect as the lead in this installment. I love that Kars doesn't take herself too seriously, and sometimes completely underestimates herself. This book is fabulous because it has a little bit of everything: insane amounts of humor, romance, good times and bad. The characters are totally real people, with all the quirks that we can recognize in people we know in our own lives. Truong was one of my favorite characters in Confessions and there was even more of him in this book which made me happy. Maddy makes a reappearance, too, as do many of the characters from the first book. I like that they

weren't forgotten during Kars' story. There were times when I was laughing out loud while I was reading this. Some of the character names are hysterical, as are a number of conversations with customers in the call center. Even Kars' inner dialogue frequently had me giggling. This is a fantastically fun read that I highly recommend!

I found this book charming, absorbing and laugh out loud funny. In this chick lit, the main female character is likeable, confident and not sitting around waiting for Prince Charming. Karsynn has a career as a manager is not looking for a man. She's looking to climb the corporate ladder and finds herself butting heads with the new director in town. There is the predictable sexual tension between the two (she's sexually attracted but always mad at him), but it's all done pretty well that you don't really care if it's predictable. The love story may be predictable, but there is a twist in the plot toward the end that I was not expecting. I first discovered this author a few years ago; I picked up her first novel because I, too, work at a call center and I must say, I enjoyed this second book as much as the first one.

Absolutely loved this book. Had me rolling around in stitches. I found it very hard to put this book down. My family thought I was losing the plot when I would just keep bursting out into laughter whilst reading in the family room. This book will lift your spirits if you're having a bad day. I highly recommend!

I'm not a fan of the Romance-Comedy Genre, but I loved this book! It was a flawless followup to *Confessions of a Call Center Gal* and seamlessly mixed in the new characters into the story line. Very reverent, humorous and refreshing!

A very nice read. A good mix of hilarious situations and insights in the difficulties in the changing world of global business and greed. A very nice sequel, as it Lisa has let the people mature, but keeping their good nature and funny dispositions.

I guess I missed the humor. And I'm not really interested in learning about sales calls. I get enough business in my work; so when I read I like to escape. This book just was silly or boring. Sorry.

When I reviewed *Confessions of a Call Center Gal* last year, I mentioned that it would have been nice to get updates on Karsynn, Truong and the rest of the crew. Well Lisa Lim did me one better

and wrote a sequel! Now while I encourage you to read Confessions first, please know that She's the Boss can be read as a stand alone book. While Confessions focused mostly on Maddy and her transition to small town Idaho, where she joined her best friend from college, Karsynn, She's the Boss turns the tables and is told from Karsynn's perspective. Still working at the call center with the hilarious Truong, whose antics remind me of an Alec Mapa character, Kars is working her way up the ladder. Unfortunately, she's run into a roadblock by the name of Carter Lockwood. As the new director of Lightning Speed Communications, Carter Lockwood arrives to find a floor full of inappropriately dressed characters who swear like sailors, and Karsynn is the ringleader of this motley crew. Now that there's a new sheriff in town, things are definitely going to change. And boy, do they change. She's the Boss is just as delightful and as quick a read as Confessions of A Call Center Gal. Lim keeps the characters light, even the serious Carter Lockwood. Truong is still as outrageous as ever and proves to be the most entertaining of all the characters. Inge is also along for the ride, though her speaking role is kept to a minimum. With plenty of current pop culture references, it reads as something hot off the presses. I love that the workplace situation touches on such a relevant issue in today's world. And lest you think the book may get heavy in parts, know that there's a yodeling stripper rocking lederhosen that is sure to bring tears of laughter to your eyes.
