## Customer Reviews

I've been playing ACBL tournament bridge at the Novice/ Intermediate level for the last 3 years. Andrew Dobson's book on bridge defense is very instructive and easy to follow. He presents a concept and then illustrates it in a bridge hand.

Andrew writes beautifully and with clarity. He presents the guidelines, shows the logic then reinforces the lesson with an example from real life. And the whole series develops logically. Particularly if both you and partner are reading through at the same time then discussing the points made.

well written and easy to understand...I am a big fan of Robson books...especially Partnership

Bidding (which is not easy to find)...well worth while for the aspiring player.

This is quite a good book...basic ..but some of the suggestions are a bit weird..However, worth a read o get ideas
