HCSB Law Enforcement Officer's Bible, Black LeatherTouch

Synopsis

The events of September 11, 2001 heightened our great respect for emergency medical services personnel, firefighters, and police officers. Those brave men and women who turned Ground Zero into a place of heroes -- and others like them nationwide -- show true courage and faith in daily putting their lives on the line for someone else in need. Even with a strong sense of calling, such work is especially stressful and full of uncertainty for these servant-hearted people and their families. HCSB Heroes Bibles -- separate editions thoughtfully designed for EMS professionals, firefighters, and law enforcement officers -- pair the complete text of the popular HCSB translation with an extended devotional section of articles, prayers, and spiritual guidance. The smaller trim size, durable simulated leather binding, and added inspirational notes and helps make these Bibles easy to use in the field. Other features include a special presentation page, the words of Christ in red, the plan of salvation, and a two-piece gift box.

I bought this for my boyfriend, who is a cop, as a surprise when he seemed unusually down. I've seen it in different places throughout his house so he appears to be using it. He loved the shield on the front and the passages in the back specifically for cops.

Bought this for my son who is a police officer on the recommendation of a friend whose daughter is a police officer. Beautiful exterior, and I believe that when in use, this can be a comfort and offer guidance, and ultimately lead to peace.

My husband works in law enforcement. I was really excited when I came across this, as he is a Christian man and holds onto his faith. I ordered this to go with his Valentine's Day gift. When this arrived, I opened it up to write him something on the inside of his bible. This is a beautiful bible and I love the police emblem embossed on the cover. I would truly recommend this to anyone in law enforcement. It's all black and easily able to be carried around in his unit.

I serve as Chaplain for our local Police Department. I love having a Bible I can give to the officers that they will understand and represents them. I have used them so far as retirement gifts and they have been well received. I love the looks and the size. The print is a little small for my liking but with glasses I can read it. This is a great gift for any LEO you may know.

I bought two of these. One to replace mine and one as a gift for a friend. This is a wonderful addition to any duty bag. It is small enough to fit yet large enough that I can read the print even in low light. The section in the back is priceless! I highly recommend this for any LEO. In today's environment we can all use the extra strength, guidance and support.

I was very pleased with this beautiful Bible. I wanted something for my nephew who will be entering the PA state police academy, and this is perfect!!! It has a nice cover and special verses and helpful information for members of law enforcement!! Would highly recommend this for anyone.

I ordered this for a close friend and he simply adores it. A fabulous thank you gift for anyone in a Law Enforcement position. The bible arrived on time in a Great little box. The binding is leather and it was perfect for the personalization I had done.

This is a great Bible for law enforcement officers. I got this for my boyfriend, who is a cop, and he loves it. It has great prayers for them to look up and gives great recommendations of what scripture to look up in certain situations. As a Bible College student, I HIGHLY recommend this for any officer!!!
