Bandette Volume 1: Presto!

Synopsis

Paul Tobin and Colleen Coover's enchanting, Eisner-nominated digital series comes to print! The world's greatest thief is a costumed teen burglar in swinging Paris by the nome d'arte of Bandette! Gleefully plying her skills on either side of the law, Bandette is a thorn in the sides of both police inspector Belgique and the criminal underworld. But it's not all breaking hearts and purloining masterpieces when a rival thief discovers that an international criminal organization wants Bandette dead! This beautiful hardcover includes the first arc, tales of Bandette's street urchin helpers by guest artists, an original illustrated story, and more!

Book Information

Customer Reviews

Presto! Dark Horse seems to be making a habit of printing these digital first comics into fantastic collected volumes. Its a good habit to have, Dark Horse. Bandette is fun.... Probably the most accurate work for it. Bandette is also more fun when you read everything with a silly French accent, non? Writer Paul Tobin and artist Colleen Coover created one of the most exciting adventures that I've read.... I was going to say "in a long time", but so many good graphic novels have come out recently! I guarantee you'll crack a smile or two at the dialogue. I applaud Tobin at creating quite a few fantastic one-liners. One of the turn offs I could see for others would be the art... Many would look at this and think it is a comic for young girls, but I assure you that it isn't. The art is the main thing that drew me to the comic. It is masterfully ink washed by Colleen Coover (a process she thankfully shares in a tutorial at the end of the book) and some of the content is adult. Colleen is no

stranger to adult material (check out Small Favors), but it is kept to a level where I would feel comfortable letting my teenager read it. From a parent's standpoint, there is a scene where a man and woman are about to make out, but they are still clothed in underwear. Another is after the main story in a short by a different artist. It has reference to a bordello and has a woman topless, but covering herself. There is also some bad language, but it isn't used very often. Two, maybe three times. The physical package is perfect. Smaller than the usual graphic novel, but hardbound with thick, glossy pages.
